

# Compliance Analysis Report

## **\*\*Compliance Report:\*\***

- Compliance Score: 78 out of 100
- Verdict: Good Compliance

## **\*\*Strengths:\*\***

- Clearly defined nature of engagement and services provided.
- Detailed revenue share structure and payment terms.
- Inclusion of non-circumvent and non-solicitation clauses, providing legal protections for Kubient.
- Clear reconciliation and payment timelines, enhancing clarity and accountability.

## **\*\*Areas for Improvement:\*\***

- The contract could benefit from a more explicit definition of terms such as "revenue" and "services" to avoid ambiguity.
- Consider adding a dispute resolution clause to outline how conflicts will be managed.
- The non-circumvent clause could be more concise to enhance readability.

## **\*\*Reasoning:\*\***

The contract demonstrates good compliance with relevant laws and regulations, particularly in its detailed revenue sharing and payment terms, which align with industry best practices. The inclusion of non-circumvent and non-solicitation clauses

provides necessary legal protections for Kubient, mitigating potential risks associated with third-party relationships. However, there are areas for improvement, particularly in defining key terms and enhancing the clarity of certain clauses. Overall, the contract is well-structured and meets the essential legal standards, earning a compliance score of 78 out of 100, indicating good compliance with room for optimization.
